Hi from Forestville, CA!

How is your summer coming along? We love to hear from you and to know how we can pray for you! **Thank you so much** to those of you who have hosted us, written to us, spent time with our kids at camps, prayed for us, encouraged us, supported us, etc.!! **Together we are touching the nations** with God's love and Truth! We may be the tip of an arrow going to dark places, but your prayers are the bow string and God is the archer!

God is moving so much in answer to your prayers! He is constantly putting us in situations where **we get to share His salvation story with people from less reached nations**. Just recently He has allowed us to share with three Iraqi families, three French families, a Syrian, a Moroccan family, a few different encounters with Jehovah Witnesses, etc. Our JOY is in sharing and we rejoice as God guides our steps!

Just as much as we rejoice to share with those who do not know about the Savior, we also rejoice to share what God is doing with God's people and **encouraging and helping to equip them to PRAY!** William's book on prayer will finish revision on August 6 and then will be available again at <https://www.amazon.com/dp/1523431938> Evangelism and prayer are our God given passion! It has been so exciting to share again and again with churches, small groups, and youth groups and seeing people get a fresh excitement about fellowshiping with our Awesome God! Recently a 12 year old boy said to William, "You are such a good speaker! I am praying that I will be bold to share like you. **I was really hungry** and I am so glad I got to hear you share!" Encounters like these are why we exist as we bring glory to God!

September 4 we are heading on our trip back across the USA diagonally from Los Angeles to NY. **On October 4 we fly from JFK** to Copenhagen for \$175 each and from Copenhagen to Brussels for just \$14 each! God continues to supply such affordable tickets through Norwegian Air on their new Boeing 787 Dreamliners which have very low fuel costs.

Our path will take us through CA to Los Angeles, Phoenix, Albuquerque, Colorado, Kansas City, Wisconsin, Illinois, Indiana, Ohio, West Virginia, Maryland, Virginia, Pennsylvania, New Jersey, and New York. **Currently we really need a place to sleep in the Los Angeles area from September 4 to September 9.** William will speak at a couple of Christian colleges and on September 9 we head to Phoenix. **We also need a place to sleep in Albuquerque.** All the kids voted to finish our USA loop and see the rest of the dear churches and friends we met spring of 2015. If you or your friends live along our path, please let us know as we would love to continue to encourage people and also be encouraged! ;)

We appreciate your prayers and support especially as we seek to buy a place in the Brussels area in October, LORD WILLING, and also rent or buy a vehicle in Europe and in Israel. We are confident **God has already prepared the right location for us.** He just enjoys it when we ask Him and He delights as we grow through the seeking process! ;) We are overflowing with joy as we live out our God given purpose!

With love and thankfulness,
William and Larisa and 8 treasures
