Hi!

It has been a treat to hear back from many of you after sending our prayer update! We love to hear from you so that we have a better idea how to update our prayers for you, too!

We are happy to share the link for William's prayer manual, Prayer Jujitsu. It is a 28 day prayer guide/workbook to help defend one's prayer life. It covers sixty different things that the Bible says hinder one's prayers. It also includes the names of the last 586 people groups who are considered to be level 0, with no page of Scripture or history of Christian workers among them (peoplegroups dot org). You can preview selected pages of the book on the Amazon website. Here's the link: <http://amzn.to/1XOAqMQ>.

If you are a couple, you probably will each want your own copy as you fill out your own answers, requests, struggles, successes, etc. If you want to use it as a guide for family prayer, we suggest each member of the family have their own. Our 7 year old loves to write in her requests each day!

Let us know if it has helped and encouraged you in more diligent prayer time with Jesus!

Joyfully,

William and Larisa and 8 treasures
