Subject: From Europe to the Holy Land

Dear Praying Friends,

Hi from Belgium! After 33 days of searching for a home, we have encountered nothing but closed doors. So far, every place in our price range needs a new roof and new electricity, is a long drive away, has severe mold or animal issues, has no central heating, is on a super busy road with the door a few feet from the road, or the owner did not disclose work done without a permit, etc. **We are very thankful for every door that God closes** because we know our heavenly Father is guiding us and protecting us from places that are not in His will. We came to Belgium with the prayer that if God wants us to have a base here, that He would guide us to a place where our children can be healthy and flourish. Thank you so much to those of you who have contributed toward a home for us. ***We are praying that as we continue to wait, that we would have the right amount of funds ready when God shows us the right place.*** If you are interested in giving a tax deductible year end gift, we would be so encouraged! ;)

THANK YOU for continuing to pray with us as we search for a base in Europe. There are always possibilities to follow up and we will continue to search online from Israel. We are confident that God has a plan for us in His perfect time. **Just as Hannah had to pray and wait for her son, Samuel, we know that there are times when we also need to wait.** God is faithful to teach deep lessons and develop character during the "lag time". There have been huge blessings along the way especially the three loving families who have housed us this month in Waterloo & Tervuren, Belgium and for 4 days in Rheinfelden, Switzerland! What a miracle supply their generosity has been!

As planned, we are now headed for our annual two or three months in the Holy Land. We fly Wednesday morning from Brussels to Bucharest and then on to Tel Aviv

arriving Thursday morning Nov 10, Lord willing. **Please pray for us as we travel** about 30 hours (5:45am Wed to 11:45am Thursday including driving door to door). We are excited to see how God will work during our upcoming time in the Middle East! **Please join us in praying that God will guide us to those who are hungry and use us to encourage many with His Truth!**

With tons of love and so much thankfulness in Jesus,
William and Larisa and 8 treasures
