Dear Praying Friends,

Hi from Waterloo, Belgium! We arrived in Waterloo at 1:30 am, early Thursday morning Oct 6. We were blessed to be greeted by our loving hosts who stayed up to welcome us! Unfortunately, our baby got a high fever on the airplane and that kept him awake and fussy. After trying to rest, we got up and spent a day going to the house hunting appointments we had set up before hand through the internet. The places in our price range were pretty much uninhabitable with black mold, over 100 year old electrical system, sagging roof, outside toilet, an hour and a half drive away from Brussels, etc. We were discouraged and exhausted after being up for about 57 hours.

We spent the evening searching for more places online. **Please pray that as we seek, God will lead us very clearly to where He would like us to be.** There are Muslims *everywhere*, in every town, but God knows exactly the ones He is already drawing to Himself.

We send our email prayer updates to nearly 3,000 dear prayer warriors around the globe. We were thinking, if 1,000 of our prayer warrior team were able to give \$50 each, that would be \$50,000 toward a one-time purchase of a ministry base and home for our family. If you would like to be a part of this, we deeply appreciate it! We will keep you posted how God guides and provides.

We are with our first host family for four nights, and then another super kind family has offered to take us for the coming week. **We are hoping and praying that very soon we will lay our heads down in the home God has chosen for us as we do not want to be a burden to other families. ;)**

Thanking you for your powerful prayers and generosity!

William and Larisa and 8 treasures

P.S. Praise God that baby Zuriah's fever finally broke last night!
